

# The English Twenty Club

Governing Body of English Fullbore Target Shooting

To whom it may concern,

I am delighted to announce my appointment as captain of the English XX team for the 2024 Mackinnon match, representing England. As part of our build-up, we have a match against the RAF scheduled for May 19th. This match provides an excellent opportunity for less experienced shooters to train alongside top coaches and firers in England.

Whether you're an established or aspiring GB and England shooter or coach, if you wish to participate in the RAFTRC match on May 19th, please email me promptly. The match will take place in the afternoon following a morning practice session. My goal is to finalize the team selection by the end of April.

In your email application, please include your Trid number and a brief summary of your best performances over the last three years. Applicants must be members of the English XX Club, demonstrating County standard ability, and have participated in the Imperial meeting.

Please note that to represent England, you must be a **paid-up** member of the English XX Club and have entered the Club Championship for the Mackinnon Match. Membership applications and standing order forms can be found on the English XX website. During the Imperial Meeting, you can register for the English XX Club Championship at the City RC before the Grand Aggregate commences.

I eagerly await your applications and am excited about the prospect of working together towards success.

I look forward to hearing from you,

John Bellringer
