President's report 2025

I now sincerely thank all, of our keen, enthusiastic, hardworking members of the Club Committee:

Chairman: Martin Liversage. Hon. Sec: Adam Leech. Hon Treas: Jeremy Tuck. Mem. Sec: Graham Nelson. Comp: Sec: Laura Haley. Website Mgr: Mike Fugeman and most certainly, Stephen Penrose: Editor of our splendid Year Book.

I mentioned earlier about my seeing the increasing number of new/young shooters in our Team and Individual matches. This is, of course, mainly due to the keen and encouraging efforts of Archie Witcher and his team of highly experienced helpers with the Young Lions Development Team and, from my earlier observations, is certainly paying off...

May I close by wishing you all ... Good fortune ... Good Health and, of course ... Good shooting and coaching for this 2026 season.

I look forward to seeing you on the ranges soon.

My kindest regards,

Mick Barr.

Chairman's Report for the Year 2025

I am delighted to report that the Club is in good health, primarily because of the continued hard work of key members of Council.

Laura Haley continues to do an excellent job in managing the Club competitions; the Spring Meeting, the Club Championship, the KGV and other club competitions all run like clockwork. The effort that goes into making these competitions happen is immense, and I am very grateful to Laura for her continued dedication.

Jeremy Tuck continues to manage the club finances with a steady hand. I and the rest of Council are delighted with his continued diligence on our behalf.

My thanks also go to Mike Fugeman for his maintenance of the website, providing both up to date information and an accurate historical record of the club's activities. If there are any members interested in picking up the role of Webmaster, please let the secretary know. Mike is looking to hand over the reins to a willing pair of hands.

Stephen Penrose has worked tirelessly for many years on editing and producing the Yearbook, which is a valuable source of information to our members. A replacement is still being sought for this prestigious role, again please let the secretary know if you're interested.

I must also thank our membership secretary, Graham Nelson. The Club has over 700 members and the proactive management of the extensive membership data is something that Graham excels at.

It is good to see a growing number of F Class shooters joining the club. F Class is developing into a very popular discipline with strong governance and it will be interesting to see where their future lies.

He rarely gets enough credit for the work he does, but Adam Leech is constantly active in ensuring the governance for the Club is up to date and in good order, for that and his other duties, I am very grateful.

Finally, thanks go to our District Superintendents, many of whom have served the club for decades. They work tirelessly for the club, chasing membership fees, recruiting new members and organising competitive teams.

I am very grateful to Graham Nelson, my Adjutant for the National Match, for his help in bringing the England team to victory in July. I was also fortunate enough to Captain an English Twenty Club team against the RAF in May and an England team against Scotland in the Lawrence Match, both of which were victorious.

Chairman's report 2025

Nick Brasier took victory in the English Twenty Club match v RAF in May but was unfortunately pipped by Scotland in The Mackinnon in July.

Archie Whicher captained a successful English Twenty Club team against UK Armed Forces and the other Home Countries in a very close match, which historically has been very difficult to win.

I'm delighted to report that the 2026 Spring Meeting will include an additional competition. Following on from the Cortis at 600 yards on Sunday Afternoon, there will be The Rylands Cup. This will be no sighters and 10 to count, with a handicap system to level the playing field. John Webster, a fellow Cheshire man to Tom, has very generously put forward a tankard, which originated with The Cheshire Regiment in the late 19th Century.

The National Rifle Association of Australia is hosting an Australia Match in October 2026. The Club intends to field a senior pair, a development pair and an U25 pair.

The club would like to congratulate John Warburton on his appointment as GB Palma Captain in 2028, we wish him and his management team well with their preparations for the match.

England has received an invitation to send a touring team to compete in the West Indies Fullbore Championship in May 2026. Phil Chapman-Sheath has been appointed as the team Captain and we wish him luck for a successful and enjoyable tour.

The Lions programme is once again running with a full cohort of 15 candidates. Thanks to Adam Leech, Archie Whicher, Bill Richards and the rest of the management, volunteers and mentors for sacrificing their time during the weekends and beyond to ensure the continued success of the programme.

Club business has continued to be managed with both virtual and face-to-face meetings by the Exec and for our Council meetings and I am pleased to report that the club is in good shape.

It remains for me to wish you all the compliments of the Season and a very Merry Christmas and Happy New Year.

M Liversage

Treasurer's Report

Accounts – Year to 31 August 2025

The Club remains in a stable financial state and a draft set of accounts for the financial year ending 31st August 2025 were presented to the AGM on 7th December 2025. Since then, our Independent Reviewer, Paul Charlton, has completed his review and is content that the accounts are now approved. I wish to record my thanks to Paul for undertaking this review once again.

At the start of the financial year, the Club had £13,054 in the current account and ended the year with £14,646, and for the savings account started with £20,367 and ended with £20,576. The Club achieved an Income surplus of £1,981 during the period compared with £2,406 last year. Once provisions, stock and other items are considered the total assets of the Club increased from £41,005 to £42,957 during the year as shown on the Balance Sheet – an increase of £1,952.

The provision for £1,083 covers two team entries for GR&P (£210) which were paid on 8th September and a Lions ammunition invoice for Tom Rylands (£640) paid on 17th September. A provision amount for the Yearbook postage (£69) and Easy Fundraising amounts for touring teams (£164) remains.

Membership and other elements have progressed much as last year. Members will recall that donations arise mainly from standing orders for £10 or £5 that have not been increased to the current annual subscription rate.

The Spring Meeting, RAF Matches, CCV and Imperial Team entries were all in line with the plan for the year. The KGV cost appears low as it was identified during the year that the NRA had accidentally charged the wrong rate for the 2024 targets and have issued a credit note for £366 (shown as a Debtor in the accounts). The actual cost to the Club for both 2024 and 2025 was about £1k when this credit is taken into account which is in line with the decisions of the Council. Support to the West Indies Team for 2026 and the Lions has also been provided. The general expenses comprise the Club's Zoom account and engraving the Club trophies.

The support to EXX Teams in 2026 will be as follows:

Imperial Teams - entries paid by Club

Treasurer's Report 2025

KGV Final – Tgts/Mkrs paid by Club, ammo charged to teams

UKAF - Entries paid by Club, ammo paid by team with 50% discount for any National Team reserves firing

RAF Matches – 50% of Tgts/Mkrs paid by Club, 50% of Tgts/Mkrs & ammo paid by teams

Lawrence and European LR entries paid by the Club, ammo paid by the teams

Touring team entries paid by the Club and a grant to the team decided by the Council

ICFRA Pairs participants in Brisbane Oct 2026 will share a grant decided by the Council

As always, the future financial health of the Club will rely on maintaining membership numbers and generating surpluses from the Spring Meeting, Club Championship and Varley.

The inventory of the Club trophies has been produced and a valuation obtained. The NRA's underwriters have been contacted with regard to increasing the Club's limits under the NRA policy to cover the value of the trophies and their replacement. A response has been received and some further questions asked. Once insurance costs have been confirmed they will be considered by the Executive.

Secretary's Report for the Year 2025

I am pleased to report that the club continues to grow and perform across all supported disciplines. TR membership benefits from ever-increasing numbers of young shooters joining, which reflects in our strong Under25 performances and ever-popular Lions programme which, though not limited by age, attracts younger shooters by nature. Gallery Rifle continues to grow in popularity and a marked increase in F Class activity and recruitment is leading towards the fielding of English F Class teams for the first time, with both home and touring matches appearing likely. All of this can only be a good thing for the growth of shooting sports. The club retains its connections with the future of the sport, maintaining a CCRS representative on Council despite the loss of the Cadet Target Rifle and with members variously involved in the growth of the British Young Shooters Association, an organisation which aims to support ongoing development of young shooters consistent with the club's aims. We hope that this helps ensure such growth not just in immediate years, but for many more to come.

At this point I must also offer my thanks to the various members of Council who help keep the club running. Amongst them is Graham Nelson who has served several years as Membership Secretary as well as previously playing a leading role in the formation of the Lions programme (and continuing to assist with it where possible). Graham is now handing over the Membership Secretary role and my thanks go to Simon Hayton who has volunteered to take this on. Also, of course, to the editor of this yearbook, Stephen Penrose, who is also stepping down from Council after many years' service and many, many hours on said yearbook!

Club Competitions

The various club competitions continue under the effective administration of our Competitions Secretary, Laura Haley. First in the year was the Spring Meeting, held on its traditional late May Bank Holiday weekend. Congratulations to David Luckman on his victory, as well as Jason Curd for the Booth Cup and Euan Munro for the Molyneux Bowl.

The Club Championship and Varley took place concurrent with the Grand Aggregate as always and congratulations to Glyn Barnett and Paul Sykes for their respective victories in those.

The club again performed strongly in our regular team matches, securing victory in the Lawrence, National, Under-25 Home Countries matches and UK Armed Forces matches, with a nail-biting second place in the Mackinnon.

KGV

The competition continued in its usual format for 2025, with Norfolk taking the win at the final on First Thursday of the Imperial Meeting. 2026 heats are already underway and I would remind prospective shooters looking for a team that county eligibility includes not just their residence or birth, but also that of both parents and grandparents. Again a reminder of the recent rule change, as advised to District Superintendents, requiring the notification of squads (from which teams will be selected) to the Membership Secretary at least 2 weeks before your heat. This allows for confirmation of current membership (or the steps needed to ensure it) in sufficient time as to comply with club rules, so avoiding some of the eligibility issues encountered recently.

Club Championship & Varley

As always these run concurrent with the Grand Aggregate, so entries close the preceding day, being Friday 17th July. If you have not paid your entry for this as part of your membership renewal then please contact the Competitions Secretary at competitions@englishtwenty.org.uk

English Lions

The Lions programme continues with the 2025-26 squad underway. Many thanks to our faculty of coaches, mentors and guesting volunteers in continuing to make the programme a success. A comprehensive report can be found elsewhere in this yearbook, but as always I take this opportunity to encourage anyone looking to develop their shooting to seriously consider applying when the next round of applications are invited. The programme continues to deliver members of England teams, including the 2026 touring team.

Yearbook

The yearbook is available for printing on request and for a small fee to cover printing costs, so please contact your DS if you would like one. Each DS will be given a yearbook at no charge. All of the information in the yearbook is also available on the website.

England Rolls

The club's rolls are updated annually and are posted on the website.

<https://englishtwenty.org.uk/about/historical-match-records/>

To help us maintain accurate records, please check that your details are accurate and let us know of any omissions.

Payments to the Club

As mentioned in various newsletters, the club's sort code has now permanently changed and the old sort code permanently retired, so please make sure that you use the up-to-date account details when making any payments. We have seen some attempts to the old code fail, so most importantly do make sure that your membership doesn't lapse, or Club Championship payment doesn't fail, as a result. The current details are:

English Twenty Club
Santander
09-01-55
22428606

Please also use the following simple codes in the notes field when making payments online, along with any other specific/personal reference advised to you:

CCV - Championship and Varley
SUB – Subscription
KGV – KGV heats/finals payments
MER – merchandise
SM – Spring Meeting
YBR - Yearbook

For membership and Club Championship payments, please add your unique membership number. If you are unsure of the latter, please contact the Membership Secretary, Graham Nelson who can advise.

General Admin

If you haven't already, please let me have a current email address for you. This is our primary means of communication with you, the membership, so you risk missing out if we do not have a current email address for you.

Make sure your subs are up to date; if you're not paying £15 (£25 including the club championship) by standing order then please amend it for next year. Alternatively you can make a one-off payment using the account number and code mentioned above.

If you intend to enter the Championship then please include the £10 payment with your subs, it reduces the admin for us during the Imperial and helps you avoid missing the cut off (payable before the day on which the Grand Aggregate of the NRA Meeting starts).

Secretary's report 2025

Please note that the English Twenty Club is not a primary club and does not issue Certificates of Competence. These MUST be obtained from your primary club or directly from the NRA.

Finally, good luck to all of the 2026 captains and teams, and I hope to see many of you on the range this year.

English Twenty Lions Report for the Year 2025

The 2024-2025 cohort of the Lions talent development programme was the 8th and the programme continues to be both popular and successful. In Sep-24 a squad of 15 Lions was selected from 29 applicants. 3 training weekends took the squad through full position and kit checks, the finer points of team shooting and individual wind reading. Experts from across the shooting world offered their time and expertise to help the Lions fulfil their potential. The success of the Lions program was evident in the Lawrence Match in Scotland where 10 of the team of 12 was made up from past and present Lions. This was followed up by the 2025 National Match which saw 10 Lions in the winning team, with Lions also making up 3 of the 5 reserve spots. There was also a former Lion in the 2025 Mackinnon Match. The 2025-26 Lions Squad has been selected and training is underway. Applications for the 2026-27 squad will open in August so if you think you're suitable, please apply.

Each team shall be composed of shooters who are current members of the English Twenty Club, or pupils at Schools or Cadet Units affiliated to the Club and who are eligible to shoot for England in the National Match.

The particular District for which a person is qualified to shoot is decided by one of the following:

- (a) Birth², county of birth of parents or grandparents.
- (b) Residential Parliamentary Vote. Should a member have no such vote he is deemed to have one in the same place as his next of kin.
- (c) After holding a Residential Parliamentary Vote in the District for ten consecutive years a person may opt for that District even though he ceases to be resident in the District.
- (d) A peer may shoot for the District in which he resides.

² Where the District in which is situate the place of birth of a member is subsequently changed, such member may elect to shoot for either the original or the new District, but having once shot for the District of his election he shall at all times hereinafter be precluded from shooting for the other District.

English County Rifle Championships

English Twenty Club Matches

Matches v RAFTRC, Scotland, Wales and Ireland

These matches were held at Bisley on Saturday 17 and Sunday 18 May. The Saturday match was under National conditions. The Sunday match was under Mackinnon conditions.

In the Short Range Match a National Match course of fire was followed as normal but Wales were unable to field a team of 20, so it was agreed to form teams of ten. The coaching line up, led by Derek Lowe, were kept on their toes by quick changing winds that gave no opportunity to lose focus. The firers were selected as a development opportunity, with 9 members of the Lions squad taking part. The coaches were the same as those anticipated to be coaching in the National Match in July, and it was a good opportunity for them all to work with each other. A relatively close win for England, with the top scorer being Matthew Keel, coached by Matthew Ensor. Thanks to everyone for taking part, and in particular my Adjutant, Graham Nelson for pulling everything together.

In the Long Range Match a Mackinnon course of fire was followed. Wales had only 10 firers so for the main match all teams took their top 10 scores, with a side match for full teams of 12. During the morning practice the wind had been quite tricky with swift changes in strength and angle. These conditions continued into the afternoon. The twitchy wind and smaller 2025 bullseye meant that the match outcome rested on performance at 1000 yards. After consultation amongst the coaches, we got started and tracked the wind as it changed. After several wide shots, some of the other teams decided to wait out the bigger changes while we pressed ahead. While we lost some points, the errant shots remained mostly in the black inner ring. We did have several stops, especially when the mirage contraindicated the flags, but restarted after a short pause and the restarts were managed well with early shots on all targets primarily in the bull and V.

The English Twenty team finished well ahead of our rivals, so we watched them complete their shoots - the wind continued to change, with some steadier lighter patches, so we weren't sure at the end how we had done against the other teams. With 966.88 in the main match we were 17 points and 15 V-bulls ahead of Scotland in second place, followed by Wales and then the RAF. In the full-team match our score of 1144.96 compared favourably with the Scottish team of 12 scoring 1128.85.

My congratulations to all the team - shooters, reserves (who plotted all day), our main coach Jeremy Langley and our target coaches, and our adjutant Ashley Abrahams.

300m Shooting

The 300m rifle discipline is organised by the GB300m Rifle Club who own the Electronic targets in use on the 300m range, which is located at the left hand end of the shed on Century range. The 300m range is only available 12 weekends a year; dates for competitions and training can be found on the GB300m club web site:

<http://www.gb300m.com>.

There are ten lanes of KME electronic targets; all shots are plotted on a monitor next to the shooter and a printout is available at the end of the shoot.

300m Events

The GB 300m club runs a number of competitions over the year, the majority of which are 60 shots prone, but three positional shooting is permitted. A 60 shots prone match has the following format:

- 15 minutes preparation time, dry firing is allowed.
- 15 minutes sighting time, unlimited sighting shots are allowed.
- The stop command is given, the targets are cleared by the range officer and you are given the command to start your match.
- No more sighters, 60 shots to count in 60minutes.

The range is the premier 300m range in the country. The NRA and English Twenty Club championships, trials and training for the 300m GB team, and visiting European teams are just some of the events held during the year. All events and results can be found on the GB300m club web site.

The GB 300m club is the home of the GB international team, which competes in ISSF events including World and European Championships and European Cup competitions.

Teams and individuals competed for Great Britain in three Lapua European Cups, the Lapua European Cup final and the European Championships. Winners of the 300m domestic competitions are posted on the GB 300m club web site.

The range is available to non-members on dates where the range is available for training; it can be booked through info@GB300m.com. It is the ideal place to practise even if you normally shoot outside.

GR Events

Gallery Rifle Division

The 2025 season almost offered another full range of England shooting for both our rifle and pistol shooters. We could not get enough shooters to take the trip to Scotland for the Joint Services match so the usual Bisley oriented events were only supplemented by two regional matches. Pistol shooting - LBP and LBR - continues to attract year on year traction within the division and we are regularly fielding full teams for our matches with the Scottish and Welsh. Flagship meetings of the Phoenix and the GR&P Nationals were as popular as ever. As mentioned just two home nation events away from Bisley which traditionally attract enough interest for decent competitive matches in all gun types are continuing to be successful and well attended.

The HCNM match at the GR&P Nationals was retained by England. After a Scottish victory in 2023 this was welcomed but the competition was tight.

GR Events

The detailed results, if studied, show the two gun types (GRSB and GRCF) impacting the overall scores at different levels.

The general popularity of the Phoenix attracts the most shooters with overseas visitors from Germany and Ireland adding additional competition to the team events. Off range we hear an international darts match also continues into one of the evening sessions.

Away from Bisley the JSPC Spring Open is the early season event and has proven popular for England touring teams in the last few seasons. Unfortunately we did not manage to take an England team to Scotland in 2025. We've made up for that in 2026 with a firm commitment very early in the year for the touring members.

At Derby, a very popular Summer event, a full home countries rifle match always takes place between the three home nations. 2025 was no exception

An Irish team sometimes join us for the Welsh shoot at Haverfordwest in early August. This mid Summer event is sometimes used to experiment with other head to head formats but this season we reverted to the traditional T&P1 and Multi-Target affair

For 2026 Steve Lane, continues in the role as team Captain with David Morrow as Vice Captain.

From an administrative perspective Neil Francis will continue as Gallery Rifle Division superintendent.
