# ENGLISH XX CLUB

# THE ENGLISH XX IS THE GOVERNING BODY FOR ENGLISH TARGET SHOOTING

The English Twenty club is responsible for selecting representative England teams in the full bore disciplines of

•**target rifle** •**gallery rifle** •**F-class**

Practically, this involves selecting captains and setting guidelines for the selection of team members for a number of national and international matches including:

•**The National**                      •**European Long Range Championship**  
•**The Mackinnon**                •**Gallery Rifle Home Countries**  
•**The Lawrence**                •**Under 25 Home Countries Invitational**

Shooters must be a member of the English XX Club in order to be considered for selection.

## THE NATIONAL MATCH

One of the oldest in our sport, dating from 1864. It precipitated the establishment of the club and currently consists of a team of twenty firers each from England, Ireland, Scotland and Wales shooting 1 sighter and 7 scoring shots at distances of 300, 500 and 600 yards.

It is typically held at Bisley during the Imperial meeting.

Each England National team is required to include at least 5 new caps and 5 new reserves together with the winner of The Queen's Prize from the preceding year (as long as the winner was English!).

## THE MACKINNON

This is one of the two main international matches held during the Imperial meeting at Bisley. It is shot at distances of 900 and 1000 yards, with 12 firers completing 10 scoring shots at each distance.

The match is between the four home countries alongside other overseas teams who have a large enough squad at Bisley.

## THE COMMONWEALTH GAMES

Undoubtedly the most prestigious event in full bore target shooting, the Commonwealth Games takes place every four years. Two firers are chosen to represent England and they compete both individually and as a pair.

# WE ENCOURAGE AND DEVELOP TARGET SHOOTING THROUGHOUT ENGLAND

One of the English XX club's main aims is to encourage and support the growth of full bore target shooting throughout England.

The club is divided into districts corresponding to counties. Each has a superintendent who represents the Club and who aims to encourage and grow shooting within their county.

## COUNTY JEWELS

Each year, the Club provides a number of bronze and silver jewels which counties can use to reward shooters in their region.

## THE KING GEORGE V CUP

The KGV is an inter-county team competition for which heats are held regionally throughout the year. The winning county from each region is invited to compete in a final held at Bisley during the Imperial meeting.

Teams consists of 8 firers who shoot 10 scoring shots at 300, 500 and 600 yards, although smaller teams are allowed in some heats to enable smaller counties to participate.
