

English Twenty Club

Dear members,

I would like to draw your attention to the club notices below.

Championship and Varley

Don't forget to enter! Entries can be made in the City RC over the bar until 12 noon on Saturday 21st July. Previously the Grand Agg started at 12 noon with the Telegraph, hence the noon cut off and I am aware that this year the Grand will start on Saturday morning with the Conan Doyle but the noon cut off will remain, for this year at least. Many people have now amended their standing order to £25 to take away the worry of missing the deadline, please consider doing the same. You can also pay online into the English Twenty Club account, just let me know if you do!

There will be no change to the Varley conditions, as the Lovell is already included in the Club's long range championship.

KGV final

Congratulations to the following teams that have won their heats and will be representing the 6 regions in the final. The match will commence at 2.15pm on Thursday 19th July on Range 19.

East: Hertfordshire

Home Counties: Surrey

Midlands: Nottinghamshire

Northern: Lancashire

Southern: Hampshire

West: Devon

England Lions – applications for 2018-19

The Lions are very much looking forward to the Imperial meeting after a successful first year of the programme. There has been exciting progress during the 3 training weekends, excellent county match scoring and 3 of the 14 members of the squad represented England in the Lawrence Match.

The management team are already starting to look forward to the 2018-19 cycle and will be welcoming applications in August.

The 1-year training cycle involves sessions on technical performance, training planning, psychology, team drills, match practice and wind reading – as well as opportunities to receive coaching and one-to-one mentoring from leading English elite shooters.

Eligible candidates will be over the age of 18, have 1 or fewer caps for England and will have demonstrated clear ambition and progression of talent over the last year or two. Selection is based around recent individual and team performances (club, school, cadet unit and county) as well as the applicants personal statement.

Please contact lions@englishtwenty.org.uk for more information. If you have any doubts about your eligibility or shooting development please get in touch. We want to hear from all ambitious English TR shooters.

Graham Nelson

Manager.

England tour to Canada 2019

Applications for the tour will close on the last day of the meeting, the team will be selected in the following few days. If you are intending to apply then please let Tom Rylands know.

AGM and Prizegiving

The AGM will be held on Friday 27th July at 7pm in the City Rifle Club. The agenda is appended to this newsletter. Prizegiving will follow on straight away so please keep an eye on the noticeboard and the Facebook page to see if you have anything to collect.

Club notices during the meeting - City RC

The Club now has a noticeboard on the front of the City Rifle Club. As usual it will be used by match Captains for posting team announcements and for other general club information.

Historical Books for sale

Robin Pizer has a quantity of magazines that may be of interest to you. He has listed what is available and has suggested prices for complete volumes, but he has only asked for offers for incomplete volumes. This list can be found at the bottom of this newsletter. Please contact Robin directly if you would like to discuss further with him. The proceeds will be used for the benefit of EXXC to support the training of talented young shooters. You will find Robin at the North London Rifle Club during the Imperial Meeting.
